

I'm writing you simply to express my gratitude to the Saint Gerard Society for giving my son a scholarship last spring. As practicing Catholics, faith is an integral part of our daily life. We love our parish and feel so blessed to find ourselves belonging to it. Through the Saint Gerard Society scholarship, you have made it possible for us to put all of our children through Nouvel Catholic Central schools. Without it, I fear it would not have been feasible. Thanks to the generous donors and the Saint Gerard Society, we have been given a chance to have our children grow, learn, and play at a school that will help deepen their understanding and love for Christ. It is not over sentimental to say that it is truly a dream come true for my children to walk the same hallways, learn in the same classrooms, and pray in the same church where I have so many fond memories. My wife and I are so grateful for the generosity of the Saint Gerard Foundation. I do not know how, or in what capacity, I would be able to give back, but if there is ever anything we can do to help further the cause of Catholic education please don't hesitate to reach out to us. Be assured of our continued prayers.

May God bless the Saint Gerard Society.

“There’s nothing greater than forming a child in Christ and helping a child to learn to be like Jesus both as a child and then as an adult. That’s an incredible, wonderful gift.”

— Dr. Michael Wolohan, Scholarship Angel

Donate Today at StGerardSociety.org

WHY IS MY DONATION IMPORTANT?

1. In the words of Pope Francis: Educating is an act of love; it is like giving life.
2. Catholic school graduates are more civically engaged, more tolerant of diverse views and more committed to service as adults than their public school peers.
3. The poorer and more at-risk a student is, the greater the achievement gains in Catholic schools.
4. Students with multiple disadvantages benefit most from Catholic schools.
5. The achievement gap between students of different racial and/or socioeconomic backgrounds is significantly smaller in Catholic schools.
6. Latino and African American students in Catholic schools are more likely to graduate from high school and college.

HOW IS MY DONATION USED?

- › One hundred percent of every donation goes directly to tuition assistance.
- › The Saint Gerard Society maintains all donated funds in an investment account.
- › Saint Gerard Society disburses scholarships directly to the Nouvel Catholic Central Schools on behalf of scholarship recipients.

WHO RECEIVES DONATIONS?

When finances are a barrier to new Nouvel Catholic Central students, the school admissions and finance directors collaboratively secure scholarship funding. Scholarship amounts range from \$500 up to half of the tuition cost, based on third-party verification of need.

WHAT IS REQUIRED OF SCHOLARSHIP RECIPIENTS?

Students must adhere to the school Code of Conduct, which outlines minimum academic performance and exemplary behavior. Families and students are asked to fully participate in their Catholic education experience and to help others as their own financial situations allow.

Please help transform a child's future by providing an academically rigorous, Christ-centered education.

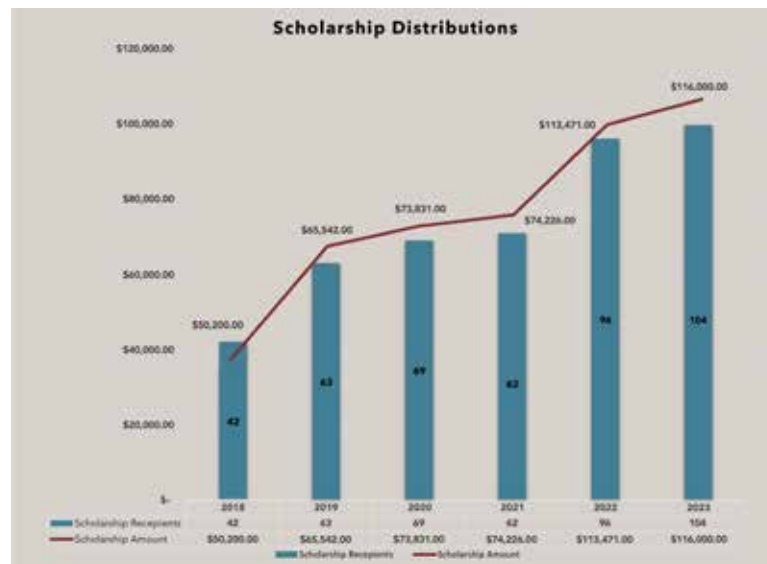

Young people today need Catholic education more than ever. In a world where truth, beauty and goodness are considered all but subjective, the Way, Truth and Life offered us in Jesus Christ are our only source of direction, clarity and hope. Furthermore, being rooted in faith does not endanger the academic quality of Catholic schools, but in fact is their very motivation for excellence in all things.

— Bishop Michael C. Barber
Chairman of the U. S. Conference of Catholic Bishops Committee on Catholic Education

ONGOING AND FUTURE PLANS

Bishop Robert Gruss, continues to implement a plan to strengthen all diocese schools by increasing enrollment, strengthening scholastic standards, and continuing to form children in the teachings of Christ. Saint Gerard Society, although not an administrator to this plan, is very supportive of diocesan efforts in this regard. Saint Gerard Society for the 2024-2025, school year has committed up to \$150,000.00, toward scholarships for deserving children of all faiths to attend Nouvel Catholic Central Schools.

It is necessary for Saint Gerard Society to secure additional donations before this annual scholarship commitment level can be raised to meet additional need.

One Hundred percent (100%) of all donations to Saint Gerard Society are used solely for scholarship assistance. General administrative costs for mailing and printing are paid for by the generosity of a few core members. All scholarship applications are vetted independently by NCC Financial Aid Director. Scholarship money is sent directly to NCC schools to be applied to a students account.

SGS offers renewals of its scholarships every year that a child stays in school through 12th grade graduation. In this way a family can count on SGS for ongoing scholarship assistance. Scholarship monies are greatly appreciated by students and their family.

I receive Thank You cards from students and parents regularly.
